If we have no sheets reserved by the deadline, curling will not happen that following Saturday. As a rule, converting the ice to curling and then back to traditional skating ice takes roughly 4 hours. As of late, the labor required to accomplish this conversion has not been met by the usage of the curling sheets.</p> <p>The PCIA would like to see the expansion of the curling program to include new members from the surrounding communities. Curling is a sport which can be enjoyed by people of all ages and many different abilities. With the invention of stick curling even those with "challenges" (like with me and my knee) or activity-limiting disabilities are able to participate in this team-based sport. For those who are new to the sport, take a moment to watch the Olympics and discover the attention grabbing effect for yourself!</p> <p>As of today, there are only 4 curling weekends remaining in our current curling season. If you haven't been able to join us on the sheets, now's your chance to start (or continue) your curling journey. The cost for curling at the PCIA has been reduced for the rest of the season and will now only cost you \$10 per person, per day. We will also establish a tailored group rate for anyone who has interest in exposing a larger group to the sport of curling. http://www.thepcia.com/curling.html</p>

The PCIA Mission

The Piscataquis County Ice Arena will provide an environment where the people within our county, and beyond, can coexist and prosper in physical health, foster personal connections, and improve overall mental well being. From on-ice activities to connections made at our NxtLvl tables, all in our Piscataquis County communities will have the opportunity to contribute.

Fun-Facts!

What's the fastest a speed skater has gone?

In May 2018, Sweden's Kjeld Nuis set a new world speed skating record of nearly 58 mph!

Have you Checked Out the Calendar on the homepage of our website... thepcia.com?

If you have, you saw we have many events happening in the months of February and March!...

Including:

- Additional Public Skate & other on-ice Opportunities during February Vacation
- The Beginning of Session 21/22-4 of Learn to Skate!
- FA Club Hockey practices & the Friday games vs the Dbl Runners
- The FA Club Hockey Festival bringing back some of the Schools Alum to join in!
- Multiple Public Skate Sessions
